## I. SUMMARY REMARKS:

The Petitioner is requested to provide and construct a concrete waiting pad for the existing bus stop along South Tryon Street. The bus stop location may move to avoid blocking the proposed driveway. However, the bus stop location should remain outside of either right turn lane to the new driveway or to Moss Road, since bus routes serving the stop continue straight on South Tryon Street.

Below is an image of the standard detail (60.01B) for the requested bus stop pad. The site plan may either show the conceptual location of the improved bus stop on South Tryon Street, or alternatively, include a development note to locate the bus stop pad during the development review and permitting process.

Please contact me if there are any questions related to this request. Thank you.
