Petition:	2015-063	Email:	bhorton@charlottenc.gov
	Bojangle's Restaurants, Inc.	Attachments:	N/A

## I. SUMMARY REMARKS:

This site is located along the CityLYNX Gold Line. The CityLYNX project will partially realign West Trade Street along the front of this site. The CityLYNX design includes new curb and sidewalk along the site's frontage. For now, the petitioner may retain the curb and sidewalk in their current location.

The petitioner is requested to dedicate public right-of-way along the site's frontage to accommodate the new curb line. In addition, the petitioner is requested to dedicate sidewalk utility easement for the new sidewalk. Below is a screen shot of the planned West Trade Street design.

Please contact myself or David McDonald (704-336-6900) with any questions related to this request. Thank you.
