RE: Rezoning Petition #2015-087 – Providence Farm
(PID#231-131-05, 10)

This is the first communication concerning this petition. We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible. These steps should ensure MCPR's notes are conveyed to and incorporated by the petitioner during site plan revisions.

This site is located on Six Mile Creek that is a future greenway on the 2008 MCPR Master Plan. We request the petitioner dedicate and convey the 100' SWIM Buffer of Six Mile Creek to Mecklenburg County for future greenway use. This dedication and conveyance shall occur prior to the issuance of the first Certificate of Occupancy.

MCPR has no other comments regarding this petition.
