Attachments: Bus stop pad detail

I. SUMMARY REMARKS:

This site is located near an existing bus stop on The Plaza. The Petitioner is requested to provide and construct a shelter pad for a relocated bus stop on The Plaza between the two proposed driveways. Below is an image of the standard detail (60.09A) for the requested bus stop pad. Note that the design of the bus stop allows for future conversion to a shelter. The bicycle rack is optional. CATS will be responsible for installation and maintenance of the bench or shelter.

Please contact me if there are any questions related to this request. Thank you.
