Attachments: Bus stop pad detail

I. SUMMARY REMARKS:

This site is located on an existing bus route. The Petitioner is requested to provide and construct a new waiting pad for a relocated bus stop on Steele Creek Road.

The existing bus stop on Steele Creek Road south of Brown-Grier Road is recommended for relocation north of Brown-Grier Road to eliminate a potential conflict with the right-turn lane from Steele Creek Road.

Below is an image of the standard detail (60.01B) for the requested bus stop pad. Permanent easement is requested, where dimensions exceed existing or proposed right-of-way limits.

Please contact me if there are any questions related to this request. Thank you.
