A. These Development Standards form a part of the Rezoning Plan associated with the Rezoning Petition filed by Chen Development, LLC (the "Petitioner") for an approximately .39 acre site located at the intersection of Montford Drive and Park Road, which site is more particularly depicted on the Rezoning Plan (hereinafter referred to as the "Site"). The Site is designated as Tax Parcel No. 17-04-015.

B. The development and use of the Site will be governed by the Rezoning Plan, the Development Standards and the applicable provisions of the City of Charlotte Zoning Ordinance (the "Ordinance"). Subject to the optional provisions set out below, the regulations established under the Ordinance for the MUDDO zoning district shall govern the development and use of the Site.

C. The use of the Site will be restricted to the re-use of the existing approximately 2,500 square foot building located on the Site (the "Building"), the related parking areas and the other improvements located on the Site. Notwithstanding the foregoing, an outdoor patio may be constructed on the Site as generally depicted on the Rezoning Plan, and the exterior of the Building may be renovated and/or modified at the option of Petitioner.

D. Future amendments to the Rezoning Plan and these Development Standards may be applied to the Site then the City of Charlotte Owners of the Site in accordance with the provisions of Section 6.207 of the Ordinance.

2. OPTIONAL PROVISIONS

The following optional provisions shall apply to the development of the Site:

A. The northern and western boundary lines of the Site shall not be required to meet the parking lot screening requirements set out in Section 12.303 of the Ordinance.

B. The Building, as an existing structure, shall not be required to meet the urban design and development standards set out in Section 9.8506 of the Ordinance. Additionally, any renovation of the Building shall not be required to meet these standards.

C. The existing parking lot may remain in place.

A. The Site may only be devoted to the uses set out below (including any combination of such uses), together with any incidental or accessory uses associated with those that are permitted under the Ordinance in the MUDD zoning district:

(1) Eating, drinking and entertainment establishments (Type 1), and eating, drinking and entertainment establishments (Type 2) subject to the applicable regulations of Section 12.546 of the Ordinance;

(2) Art galleries;

(3) Professional business and general offices, such as banks, clinics, medical, dental and doctors' offices, veterinary clinics, government, post offices, opticians' offices, and similar uses;

(4) Retail sales; and

(5) Beauty shops and barbershops.

B. Accessory drive-in and drive through service windows shall not be permitted on the Site.

C. No additions to or expansions of the Building's existing gross floor area of approximately 2,500 square feet shall be permitted. Notwithstanding the foregoing, an outdoor patio may be constructed on the Site as generally depicted on the Rezoning Plan, and the exterior of the Building may be renovated and/or modified at the option of Petitioner.

D. Eating, drinking and entertainment establishments (Type 1 and Type 2) may not play live, recorded or broadcast music outdoors between the hours of 10 PM and 10 AM.

A. Vehicular access shall be as generally depicted on the Rezoning Plan. The placement and configuration of each access point are subject to any minor modifications required by the Charlotte Department of Transportation and/or the North Carolina Department of Transportation.

B. Off-street vehicular parking shall be provided on the Site in accordance with the requirements of the Ordinance.

C. Petitioner shall dedicate and convey to the City of Charlotte (subject to a reservation for any necessary utility easements) those portions of the Site located immediately adjacent to Park Road that are necessary to extend the existing right of way for Park Road to that point that is located 2 feet behind the minimum 8 foot wide sidewalk to be installed along the Site's frontage on Park Road as generally depicted on the Rezoning Plan. Notwithstanding the foregoing, the sidewalk on Park Road may be located in an easement with the approval of the Planning Staff and CDOT during construction plan review.

- A. Petitioner shall install a minimum 13 foot wide planting strip and a minimum 8 foot wide sidewalk along the Site's frontage on Park Road as generally depicted on the Rezoning Plan. The 5 foot (street side) of the 13 foot wide planting strip shall be reserved for a future bike lane to be installed by others.
- B. Petitioner shall install a minimum 8 foot wide planting strip and a minimum 8 foot wide sidewalk along the Site's frontage on Montford Drive as generally depicted on the Rezoning Plan. Those portions of the minimum 8 foot wide planting strip and the minimum 8 foot wide sidewalk that are located outside of the existing right of way for Montford Drive may be used for other purposes at the discretion of the Planning Commission, but not for use as generally depicted on the Rezoning Plan.
- C. The width of the planting strip along Montford Drive may be increased and the sidewalk along Montford Drive may be narrower to save existing trees. The minimum 8 foot wide sidewalk to be installed along Montford Drive shall terminate as generally depicted on the Rezoning Plan to preserve existing trees.
- D. The widths of the planting strips and the widths of the sidewalks may be reduced where the sidewalks taper into and connect with the existing sidewalks located along Park Road and Montford Drive.
- E. Dumpster and recycling areas will be enclosed on all four sides by an opaque wall or fence with one side being a hinged opaque gate. If one or more sides of a dumpster and recycling area adjoin a side of a building, then the side wall and rear wall of the building may be substituted for the wall or fence along each such side.
- F. The southern and eastern boundary lines of the Site shall be required to meet the parking lot screening requirements set out in Section 12.20.03 of the Ordinance.

A. All newly installed freestanding lighting fixtures on the Site (excluding street lights and lower, decorative lighting that may be installed along the driveways, sidewalks, parking areas, landscaped areas and the patio) shall be fully capped and shielded and the illumination downwardly directed so that direct illumination does not extend past any property line of the Site. The maximum height of any freestanding lighting fixtures installed on the Site shall be 21 feet.

B. Any newly installed lighting fixtures attached to the building on the Site shall be decorative, capped and downwardly directed.

A. If this Rezoning Petition is approved, all conditions applicable to the use and development of the Site imposed under these Development Standards and the Rezoning Plan will, unless amended in the manner provided under the Ordinance, be binding upon the heirs, devisees, personal representatives, successors in interest and assigns of the Petitioner and their respective successors in interest and assigns.

B. Throughout these Development Standards, the term "Petitioner" shall be deemed to include the heirs, devisees, personal representatives, successors in interest and assigns of the Petitioner or the owner or owners of the Site from time to time who may be involved in any future development thereof.

C. Any reference to the Ordinance herein shall be deemed to refer to the requirements of the Ordinance in effect as of the date this Rezoning Petition is approved.
