Petition Number: 2018-073 Parcel No. 055-49-113, 055-49-114, 055-49-115, 055-49-128; 1407 Rhyne Rd.

GENERAL COMMENTS: No trees can be removed from the right of way without explicit authorization from the City Arborist or his designee. The location of structures/driveways/other items illustrated on the site plan are conceptual in nature and do NOT confirm or imply authorization by the City to remove any City trees located in street right of way; City Council approval of the rezoning site plan does not confirm or imply authorization by the City Arborist to remove any tree located in a public street right of way.

No trees can be removed from or planted in the right of way of any State maintained street (Moore's Chapel and Rhyne Rds.) without permission of NC Department of Transportation and the City Arborist's office. If trees are to be planted, they must be planted to meet NCDOT planting guidelines. A tree planting permit shall be obtained from NCDOT in coordination with the Arborist's office prior to planting trees in the NCDOT right of way following plan approval by the City.

SITE SPECIFIC COMMENTS:

To comply with the NCDOT tree planting requirements on Moore's Chapel and Rhyne Rds., if small maturing trees are required, they shall be planted 8 feet from edge of travel lane due to the 45 MPH speed limit. However, if large maturing trees are planted, they shall be planted 12 feet from edge of travel lane due to the 45 MPH speed limit.
