STAFF RECOMMENDATION

Staff recommends approval of this petition upon resolution requested technical revisions.

Plan Consistency

The petition is consistent with the *Charlotte Center City 2020 Vision Plan*. While this plan does not make a specific land use recommendation for the site, it recognizes Center City's continuing role as the central economic engine and diversified employment hub of the region.

Rationale for Recommendation

- The petition proposes an optional request to increase the allowed exterior signage for an existing uptown building.

- One sign area, equal to 650 square feet, is proposed for one side of the top parapet (a low protective wall that rises above the roof) of the existing high-rise building.
- The proposed signage will have limited impact due to its location above the ground-floor and since the building is 90 feet tall in comparison to the building, and is consistent with similar signage approved for other UMUD-O requests in the Uptown area varying from 330 to 650 square feet.
- All other signage will conform to the UMUD zoning district standards.

PLANNING STAFF REVIEW

Proposed Request DetailsThe site plan accompanying this petition contains the following provisions:

- Optional signage request to allow one additional wall mounted sign up to 650 square feet on one building face near the top of the building.
- Digital signage will not be allowed for the increased sign request.
- **Existing Zoning and Land Use**

- The subject property is developed with a commercial high-rise building (First Citizens Tower).
- The surrounding properties are zoned UMUD (uptown mixed use) and UMUD-O (uptown mixed use, optional) and developed with various commercial mid- and high-rise buildings.

The subject property is developed with a high-rise office building. The red star indicates the subject site.

Properties to the south and west along South Tryon Street are developed with mixed use buildings.

Properties to the north and east along South Tryon Street are developed with mixed use buildings.

• **Rezoning History in Area**
