

PLAN REVIEW SHEET

Date: July 25, 2019

Petition #: 2019-077

Staff Contact: John Howard

Adopted Plan: Scaleybark Station Area Plan, 2008

The site is approximately .30 miles of the Scaleybark Station and on the edge of the Scaleybark Transit Station Area Plan boundary. The plan identifies a proposed street connection through the site to accommodate vehicular, pedestrian, and bicycle connectivity in the station area to improve connectivity around the station and adjacent neighborhoods (map 3, page 8).
