

PLAN REVIEW SHEET

Date: December 23, 2019

Petition #: 2019-165

Staff Contact: John Howard

The site is located within ½ mile of the proposed Morehead Street Silver Line light rail station. CATS supports higher density development within a half-mile of transit stations and the provision of sidewalks and other pedestrian amenities near transit corridors. The site is also located along CATS local bus routes #35 and #5 with existing stops adjacent to these sites on West Morehead St. There are no requests for bus amenities.
