

COMMUNITIES	5 Communities with Definitions for Eating and Drinking Establishments
Atlanta, GA	Eating and drinking establishments shall mean those establishments whose primary purpose is to derive income from the sale of food and drink, including malt beverages, wine and/or distilled spirits. Any establishment that serves food and drink, but which also operates as another use under Chapter 10 of the City Code (the Alcohol Code) with separate parking regulations shall follow the parking regulations in Chapter 10 applicable to that use.
Chicago, IL	Eating and Drinking Establishments. Provision of prepared food or beverages for on- or off-premises consumption.
Cincinnati, OH	Drinking Establishments. Bars, nightclubs, lounges or dance halls serving beverages for consumption on the premises as a primary use and including on-site service of alcohol, including beer, wine and mixed drinks.
Columbia, SC	Drinking place means an establishment engaged in the retail sale of drinks, such as beer, ale or wine for consumption on the premises.
Seattle, WA	Drinking establishment- means an establishment other than a restaurant, licensed to sell alcoholic beverages for consumption on premises; that limits patronage to adults of legal age for the consumption of alcohol; and in which limited food service may be accessory to the service of alcoholic beverages. Drinking establishments may include but are not limited to taverns, saloons, brewpubs, bars, pubs, or cocktail lounges associated with restaurants.
