★ ALL DATES AND TIMES SUBJECT TO CHANGE WITHOUT NOTICE

November 12, 2013

The elected officials may not vote to rezone property to a conditional zoning district from the date of a general election to the date immediately following the date on which the Commission/Council holds its organizational meeting following a general election unless no person spoke against the rezoning at the public hearing and no valid protest petition under G.S. 160A-386 was filed for a city rezoning. If a valid protest petition is filed against a conditional zoning petition originally scheduled for a public hearing during a municipal general election year between October 1, and before the new City Council takes office, then both the public hearing and decision shall be postponed until after the new City Council takes office.

The City of Charlotte Department of Transportation (CDOT) may require a "Traffic Impact Study". For more information regarding their requirements, please visit [CDOT's website](http://www.cdot.org).
